Case No. 22-cv-01004-SRB

**DEFENDANTS' UNOPPOSED
MOTION TO EXCEED PAGE LIMIT
FOR MEMORANDUM IN
OPPOSITION TO PLAINTIFFS'
MOTION FOR AWARD OF
ATTORNEYS' FEES AND COSTS
[Doc. 51]**

1
2 Defendants, through undersigned counsel, respectfully moves the Court for an order
3 granting leave to file an opposition to Plaintiffs' motion for an award of attorneys' fees and costs
4 in excess of the page limits set by Local Rule of Civil Procedure ("Local Rule") 7.2(e)(1).
5 Plaintiffs do not oppose this request, and Defendants agree to a commensurate extension of
6 pages for Plaintiffs' reply.

7 On April 19, 2024, the parties in this matter notified the Court that they had finalized an
8 agreement to settle the claims in the case. Dkt. 49. The parties then entered a sixty-day
9 negotiation period regarding Plaintiffs' demand for attorneys' fees and costs. *Id.* On June 17,
10 2024, Plaintiffs filed a motion for an award of attorneys' fees and costs. Dkt. 51. That motion
11 attached various affidavits including five declarations prepared by a different lawyer on the team.
12 Dkt. Nos 52-56. Defendants plan to file their opposition to that motion on July 1, 2024. Given
13 the number of affidavits and exhibits attached to Plaintiffs' motion, each containing numerous
14 points that go to the arguments in the brief, the United States requires pages in excess of the
15 limit provided by Local Rule 7.2(e) in order to adequately respond to those arguments in its
16 opposition memorandum.

17 Local Rule 7.2(e) permits up to seventeen (17) pages, exclusive of attachments, for any
18 motion, and up to eleven (11) pages for any reply, unless otherwise permitted by the Court. The
19 United States seek to enhance the page limit set by Local Rule 7.2(e), by an additional six pages,
20 allowing up to twenty-three (23) pages total, excluding attachments. Plaintiffs could file a reply
21 extended by a commensurate four pages, up to fifteen (15) pages total. Undersigned contacted
22 Plaintiffs' counsel, who does not object and does not oppose Defendants' request. Finally, the
23 undersigned affirms the request is not sought for any other improper purpose.

24 Accordingly, for the above reasons, the United States respectfully requests that the
25 Court enter an order granting the United States leave to file its fee opposition in excess of the
26 limit set by Local Rule 7.2(e), by an additional six pages, allowing up to twenty-three (23) pages
27 total, excluding attachments, and Plaintiffs' reply by an additional four pages, allowing up to
28 fifteen (15) pages total.

Respectfully submitted this 28th day of June, 2024.
